

## Maintenance Programs / Improve Your Skills

*Do any of these scenarios describe you?*

- Spending too much time in the marina and not enough out on the water?
- Caught up in the office and can't get that job on the boat done before the weekend?
- Out of your depth and need a little help?
- Off on an overseas trip and want to ensure that when you return home your yacht looks the same as you left it?

Sundance Marine offer a professional service tailored to make boat ownership as easy and enjoyable as it should be: Ensure your boat presents like new every time you step onboard with a regular maintenance program.
